

Recommendation for Guilhem Picart

To whom it may concern,

I have known Guilhem Picart for the past year while he has worked under my supervision as a Junior Accountant, from September 2016 To September 2017, at Constantin Associates. I have been consistently impressed by both Guilhem's attitude towards his work and his performance on the job.

His interpersonal and communication skills have allowed him to develop productive working relationships with both our clients and our staff. Guilhem has the listening and interviewing skills necessary to extract information from our clientele while performing financial assessments.

Guilhem always did more work, than his share of the work on the projects he was assigned. He often took the initiative to handle difficult projects and picked up new tasks efficiently. I am glad to have work with him, as the partner had always praised the assignments we worked together on. Guilhem also had good ethical behavior at work.

I highly recommend Guilhem for whatever position he may decide to take up next. He is a talented person and great employee. I wish him all the best in his future endeavors.

Sincerely,

Yohan Jacquin
